ALISO VIEJO, Calif. - (BUSINESS WIRE) - Renaissance ClubSport will offer Aliso Viejo residents a sneak peak at the \$65 million hotel and fitness resort under construction at the Summit Office Campus and expected to open in April 2008.

On November 10, 2008 from 2:00 to 5:00 p.m. Leisure Sports, Inc., developer of the property, and the Renaissance ClubSport team will roll out the red carpet giving residents a taste of the 74,000 square foot world-class fitness club and 174-room hotel. Hard hats will be handed out before residents are taken on a guided tour through the construction site where they will get a feel for the enormity of the project. Participants in the tour are reminded to wear long pants and closed toe shoes.

Festivities will include activities for children, music from KBig-FM with prize giveaways and food and refreshments from Cosmo's Italian Kitchen.

Renaissance ClubSport will employ more than 350 associate team members with Derek Ellis, leading the team as General Manager. "I'm looking forward to meeting members of the community during the hard hat tour. I'm sure they will be as impressed by the project as I've been."

Once complete, Aliso Viejo residents will enjoy an expansive fitness club with state-of-the-art equipment, group exercise classes, aquatic center with three pools, a gymnasium and court sports plus social activities and events. Hotel guests will be delighted to have a full service hotel providing exceptional service and attention in this bustling suburban location. Additionally hotel guests will have full use of the fitness center at no extra charge, an important element to fitness minded travelers.

Renaissance ClubSport Aliso Viejo is the second of its kind following on the highly successful prototype in Northern California. This is a pivotal project for the city of Aliso Viejo, Leisure Sports with Marriott International (NYSE:MAR) and **R.D. Olson Development**.

About Leisure Sports, Inc.

Leisure Sports, a privately held company since 1978, is a prominent developer and operator of high-end sports clubs and hotels. Based in California, the company has pioneered the "fitness resort" concept by building clubs that combine function with aesthetics and practicality with luxury. Creators of the Renaissance ClubSport hotel and fitness resort concept, the company currently owns and operates hotels and clubs in California, Nevada and Oregon serving over 45,000 members.
